## **BLOODLINE TRILOGY ANNOUNCED**

Plans for a new series of books known as the **Bloodline Trilogy** by Deborah O'Toole writing as Deidre Dalton have been announced.

Books in the trilogy include:

- **Book #1: Bloodfrost** (scheduled for release on 12 June 2012)
- **Book #2: Bloodlust** (scheduled for release in 2019)
- **Book #3: Blood & Soul** (scheduled for release in 2020)

Meet Noel Gatsby in **Bloodfrost**, whose nightly dreams take her away from the misery of her pain-wracked, disease-riddled body. The dreams become real when she awakens one morning to find herself completely healed. She soon learns her miraculous recovery comes at a price...

Become acquainted with Noel's daughter Kate in **Bloodlust**. Kate's unusual powers allow her to bend people to her will. At first she uses her gifts wisely, but then goes astray after falling in love with the diabolical Kirk Lester, whom she follows down an ugly path of debauchery and evil...

And finally, meet Jenny Jardine in **Blood & Soul**. Jenny is adopted into a loving home as an infant, never knowing the true circumstances of her birth. As a teenager, she discovers she has unique powers of healing. She soon realizes her abilities are an instrument of evil, begotten by two bloodthirsty monsters...

**Please Note:** Storylines, estimated release dates and book cover art may be subject to change.
